 - Contributed to the feedback management module with admin moderation and customer reviews

SUMMARY

Motivated Frontend Developer Intern and third-year B.Sc. (Hons) Information Technology student at SLIIT, with hands-on experience in frontend and full-stack (MERN) development. Skilled in creating responsive, user-centered web interfaces using React.js, HTML5, CSS3, JavaScript (ES6+), and Tailwind CSS. Experienced in integrating RESTful APIs and applying modern UI/UX design principles to enhance usability. Currently employed as a Customs Inspector at Sri Lanka Customs, demonstrating strong analytical, teamwork, and problem-solving skills. Eager to contribute to dynamic development teams through a Frontend Development Internship, applying technical expertise to real-world software projects.

EDUCATION

B.Sc. (Hons) Information Technology

Sri Lanka Institute of Information Technology

07/2027 Malabe
